

# HI, I'M **SAM** **BRADEN**

## I STUDIED HERE

**SAVANNAH COLLEGE OF ART AND DESIGN** • BFA Graphic Design  
**Savannah, GA** • **June 2012**

## I WORKED HERE

**Fjord** • Visual Designer  
**Washington, D.C.** • **May 2019 - Present**

Worked with a department of the U.S. Government to reimagine and redesign their web experience. This included the brand identity, designing new approaches to old problems, and bringing a fresh new visual language to the department's entire site. Brought my years of visual design knowledge to support my team of experienced designers and create the best possible product.

**LOCI inc.** • Senior Designer and Art Director  
**Tysons Corner, VA** • **March 2018 - April 2019**

Established and maintained a rich brand identity that exemplified the mission of the company. Working closely with the development team, created and implemented designs that effectively connected users with the vision of the technology.

**Bluetext** • Graphic Designer  
**Washington, D.C.** • **Jan 2013 - March 2018**

Progressed from entry level creative to team lead supervising four designers and reporting directly to senior creative partner. Leveraged experience in web, print, branding, advertising, and vector illustration to lead successful projects for fortune 500 clients including DeWalt, Adobe, Google, and Intel.
